Save the Date! July 28th at Isleta Eagle
7th Annual FMANM Golf Tournament!
POKER RUN
on Saturday, April 22nd,
at Thunderbird Harley Davidson
Will Benefit Scholarships for Future Facility Managers

PLAN NOW to join the Facility Manager Association of New Mexico for our 3rd Annual Poker Run and Car & Bike Show on Saturday morning, April 22nd, as we ride, roll, and network with each other to raise money for our scholarship funds at UNM and CNM.

ANY BIKE OR CAR WELCOME! CUSTOM OR STOCK! CLASSIC OR CLUNKER! COME JOIN THE FUN.

No ride? No kidding? Stop on by and meet your friends from FMANM anyway. Please contact Carolee@fmanm.com if you would like to volunteer to help. Door prize donations welcome!

START at Thunderbird Harley Davidson, 5000 Alameda Blvd. NE, with registration opening at 10 am, last vehicle out by 11:30 am.

DEPART for stops. Proceed in ANY order:

1. Cort Furniture - 5901 Pan Am Freeway (South)
2. Affordable Solar - 4840 Pan American Frontage Road (North)
3. FacilityBUILD - 5904 Florence Av NE
4. TP Pump - 1824 2nd Street NW
5. Ace Asphalt - 3530 Broadway SE

END back at Thunderbird Harley Davidson no later than 1 pm when Car & Bike Show judging begins. Live music! Food and beverage trucks! Visit the showroom and check out the 2017 Harley Davidson motorcycles!

Cost for the event: $30 per poker hand if paid in advance (online at www.fmanm.com) or $35 CASH ONLY, day of the event.

SEE YOU APRIL 22ND! LET’S HAVE FUN AND MAKE SOME SCHOLARSHIP MONEY
Executive Director - Carolee Griffin

Next month you will receive a phone call or an email from a member of the Facility Manager Association of New Mexico’s “Golf Gang” asking you to pledge your support for our 7th Annual Scholarship Fundraising Golf Tournament, held again this year at the beautiful Isleta Eagle Championship Golf Course on Friday, July 28th, 2017, with an 9 am tee time.

Because we know times are still tough and everyone has only so much “fun money” to allocate, MARK JULY 28 on your calendar today. Ask anyone who has attended this event: it is one of the most smoothely run, door prize-laden tournaments you will ever play in. Last year, 139 golfers were not wrong! We hope to meet or exceed that number this year. It is always the party of the summer for facility managers and their supporters.

Remember that this fundraiser is our primary means of funding for the scholarships which FMANM supports at the University of New Mexico and at the Central New Mexico Community College. CNM has been underscored in recent year because the tradesmen and women trained there are the very people who are the facility managers of the future, the technicians we need to hire right now, and in general, the people who will manage our infrastructure into the coming years.

With money tight, it is more important than EVER that these ambitious students, both young and old, receive the monetary help they need to finish their educations and enter our work force with the qualifications that we desperately need.

YOU can help. Please visit www.fmanm.com and register your intention to play a foursome, sponsor the event at the Gold, Silver, or Platinum level, purchase the Hole in One, sponsorship a hole, or just donate a nice door prize. Now is the time to help the people who help us.

ONLINE PAYMENT IS AVAILABLE! REGISTER TODAY.

FMANM Vision Statement: Establish and implement an organization to promote education, information, solutions and opportunities associated with the operations, maintenance, and sustainability of facilities.

Special thanks to our Corporate Members in bold
Members and guests of the Facility Manager Association of New Mexico gathered in March to learn how to keep mechanical equipment running in peak condition by performing vibration analysis, balancing, and alignment for mechanical equipment, reducing downtime, increasing productivity, and improving a facility budget’s bottom line.

The importance of these critical procedures, including vibration testing, acceptance testing, dynamic balancing, and precision alignment were explained by Patrick Pickett with Kinetic Improvement, an Albuquerque-based business, who educated the group on why production plants, universities, hospitals, mechanical contractors and facility managers use these services to help their expensive mechanical equipment run as intended.

A link to the presentation can be found on the fmanm.com website if more information is needed.
