# What are CEUs?

The Continuing Education Unit (CEU) is a nationally recognized system of recording and recognizing participation in noncredit professional educational programs.

# CEUs

- **Licensing bodies e.g., NM Regulation and Licensing Department, Construction Industries Division require members to obtain CEUs to maintain their license.**
- **Requiring CEUs encourage professionals:**
  - 1) **to expand their knowledge, and**
  - 2) **stay up-to-date on new developments.**

# CEUs for the Construction Industries Division

The State of New Mexico Construction Industries Division (CID) requires continuing education for renewals of journeyman certificates of competence in every three (3) year period.

- minimum of sixteen (16) hours of approved continuing education course work.
  - 1) Eight (8) hours are specific to code change/update
  - 2) Eight (8) hours may be of other industry-related approved course work.

# Journey Licenses under the NMCID

New Mexico issues contracting licenses in approximately 100 different classifications. These classifications can be found in the New Mexico Administrative Code, [Title 14, Chapter 6](#).

Boiler operator	Mechanical
electrician	Plumber (JP)
electrical linemen	Pipefitter (JPF)
Fire protection (MS-12J or MS 14J)	Refrigeration (JR)
Gas (JG)	Sheetmetal (JSM)
Plumber-gas (JPG)	Sprinkler (JS)
HVAC	Water and Wastewater Plant Operators

# WTC CEU Classes

Basic Motor Control Refresher

Chilled Water Systems

EL 1-J Journeyman Lineman

Electrical Safety

Grounding and Bonding

LEED for Contractors

Mechanical Code Update

Module 2: General PV and Installation

National Electrical Code Update

NEC Code for Photovoltaic Installers

NFPA 70E

OSHA 10 Construction (10 CEUs for electricians)

Plumbing Code Update

Refrigeration Applications

System Design for HVAC Systems

Water and/or Wastewater Operations (32 Training Credits)

# CNM Workforce Training Center Course Offerings:

[www.cnm.edu/wtc](http://www.cnm.edu/wtc)

**Registration: Shanna, 224-5200**

# Who Are Our Instructors?

- **WTC faculty and part time casual pool instructors**
- **Industry experts from private industry**

# Journeyman Examination Preparation and Review

- **Boiler Operations & Components Exam Prep & Review**
- **Electrician Exam Prep & Review**
- **Gasfitter Exam Prep & Review**
